

Story Of Successful Fight Against Asbury School

BY WALTER J. UPPERMAN

ASBURY PARK—In the Spring of 1945 Dr. Joseph F. S. Carter, a Negro physician, was appointed a member of the Asbury Park Board of Education. It was natural that the appointment of a Negro to the Board would focus attention on the segregated school system. Although there was much discussion about the system, no effective action was taken until February of 1946, when a series of articles appeared in the NEW JERSEY HERALD NEWS calling attention to the segregated school system in Asbury Park and challenging the residents of Asbury Park to do something about it.

On March 4 Mrs. Louise Clark, Directress of the Civil Liberties League of the Elks, Mrs. Magie Hill, Vice Grand Daughter Ruler of the Elks and Henry Wynn, Exalted Ruler of Monmouth Lodge No. 222 of the Elks, engaged the services of Walter J. Upperman, an Asbury Park attorney, to take action designed to eliminate segregation in the Bangs Avenue School. On Wednesday, March 6, a group of about 50 colored citizens met to discuss taking action against the segregated system.

The following are those who attended the meeting: Mr. Lorenzo Harris, Mrs. Katherine Harris, Mrs. Anna Belle Richardson, Reverend John H. Asbury, Dr. William Minyard, Mr. Floyd R. Scott, Mrs. Magie

Hill, Rev. Isiah McCoy, Mr. Leon Harris, Dr. Richard Carter, Dr. Leonard Martin, Dr. Joseph F. S. Carter, Mr. Booker Milby, Mr. Russell Johnson, Mr. William Griffin, Mrs. Pearl Harris, Mrs. Louise Clark and Mr. Wm. Carr. At the meeting all those present joined the Civil Liberties League and thereby presented a united front as far as the public was concerned.

On Tuesday evening, March 12, a committee from the Civil Liberties League accompanied the attorney to the Board of Education meeting and the attorney respectfully demanded the immediate end of the segregated system in the Bangs Avenue School.

The demand was based first, on the reason that segregation was

contrary to law in the State of New Jersey and then several cases on school discrimination which have been adjudicated in New Jersey. The social reasons were reviewed and the Board was informed that in the opinion of the committee a separate school was uneducational, bred intolerance, tended to counteract the efforts being made in the school and throughout the city to develop a spirit of brotherhood; that race prejudice is not inherited but is an acquired trait and that separate schools tend to create racial misunderstanding.

Clifton Wills Hangs Himself

ORANGE—A wave of family tragedy, with death striking twice, closed around Mrs. Sarah Carter Wills of 98 Parrow street, when her husband, Clifton, committed suicide on the eve of her brother's funeral, being held at Wood's Home for Services last Monday afternoon.

Wills, 36 was reported to have been discovered by another garage tenant where he kept his car early Sunday morning, hanging from a rope around a cross beam in the ceiling of the garage. The tenant was said to have called out to Wills—"Get out of here on go on home. What are you doing here so early?" When the man found that no response came from Wills, he investigated and discovered the suicide. He called on near by neighbors on Central place and in a few moments hundreds of people had gathered. The local emergency squad was on hand and made an effort to revive the body. Clifton known as a very quiet person had lived in Orange for 15 years. He was born in England, A page from a 2nd quarter primary. Pupil's Leaflet was found in the garage near where his body was discovered. He was taken to the home of St. Paul's A. M. E. Church of Ogden street, Orange. Funeral services were arranged for this Wednesday from Wood's Home for Services. He leaves to mourn him, a mother, five sisters and three brothers. Internment will be held in Rosedale in Linden.

MCA Abolishes Separate Camps

JERSEY CITY—For the first time in the history of camping in the Central Atlantic Area Y.M.C.A. Camp Wawayanda will accept campers regardless of race. Heretofore, all colored applicants were automatically referred to Camp Osceola for accommodations.

It has been decided, apparently, that the camp would be discriminating in its choice of campers, and the only discriminating factor is to be price and character with no regard to race. The cost of camping at Wawayanda will be \$22 per week for an eight week period.

Because of the price and because of the moral intent of the new policy, the Y's Men's Club of Jersey City Y.M.C.A. has decided to help boys enroll at Camp Wawayanda, which is located in Andover, N. J.

The Executive Committee of the progressive club has engaged the Tivoli Theater, Communipaw avenue, Jersey City, for a benefit show, April 26 to stage a Benefit-Movie at 11:15 p.m. 1,500 tickets at 72 cents a piece are on sale at David W. Smith's Real Estate Office, 102 Jackson avenue; Green's Tonsorial Parlor, 438 Jackson avenue; Banks Cleaning Service, 488 Communipaw avenue.

The officers of the Y's Men's Club are: David W. Smith, president; W. Smith's Real Estate Office, 102 Jackson avenue; Green's Tonsorial Parlor, 438 Jackson avenue; Banks Cleaning Service, 488 Communipaw avenue.

Powell Demands GI Death Probe

NEW YORK—Acting on an appeal made to him by the Veterans Justice Committee, Congressman Adam Clayton Powell (D. N. Y.) has demanded a Congressional investigation into the deaths of two Negro soldiers killed in France by guards at a Red Cross club, Camp Lucky Strike, near St. Valery May 22, 1945.

In a letter dated April 9 and directed to the Secretary of War, Powell wrote:

"Members of the Veterans Justice Committee, with provisional headquarters at 504 Macdon street, Brooklyn, New York, have written me bringing to my attention their desire that a Congressional investigation be launched into the fatal shooting of two members of their organization—the 1310th Engineer Regiment on May 22, 1945 at a Red Cross Club, Camp Lucky Strike, near St. Valery, France. These two Negro soldiers—Pfc. Allen Lettice and 7-5 Frank Glenn—were killed by a G.I. and a Corporal, two white soldiers whose identity is unknown to the committee. Eyewitness statements of Private Soloman Johnson, Company A, 1310th Engineer Regiment, G.I.s who were attached there, as is statement of Private Alfred A. Duckett, in all sincerity these buddies of the men feel that this incident should not go without an investigation by the War Department here in the United States and it is

Will Back Brewer If Asked To Do So

NEWARK—Assemblyman J. O. Hill, president of the Essex County Colored Republican Council, in an interview last Thursday, declared he is prepared to throw the full weight of his membership behind the leadership of Prosper Brewer in the five contested districts of the Third Ward. Hill went on to say further, this help if Brewer desired it, would come at the expense of his organization upon a written request by him or his executive committee. "I stand behind the ward leaders to resist the call to the Grand Jury. Miss Martin was tried and sentenced on the charge that she stole the rings and gave them to a friend, Charles Strohmeyer. SUCCUMBS

GODFREY S. JOHNSON

MONTCLAIR—This community was shocked this week to learn of the sudden death of George Schuyler Johnson, 25, of 11 Lincoln street, who passed away suddenly at his home Saturday afternoon. Johnson had complained of severe pains in his head for some time. He was called in by a doctor who found him dead in his bed.

The next morning the headache was worse and physician was called in. Johnson died while the doctor sought to treat him. The deceased recently returned from overseas where he served in the European theatre of war for 29 months with the 384th Engineers Corps as a sergeant and received his discharge on September 25, 1945.

Mr. Johnson was born in Tennessee and was brought here by his family during his early years. He attended the Montclair schools and later graduated from the Boys Vocational School in Bloomfield as an auto mechanic and electrician.

He is survived by his mother, Mrs. Mattie S. Johnson; three sisters, Mrs. Mary Riley, Mrs. Matie Foster and Mrs. Foggia Marshall; a brother, Charles Johnson of Newark. He was engaged to marry Miss Dorothy Gill, a senior at Virginia State.

Funeral services were held at the St. Paul Baptist Church on Wednesday afternoon with Rev. J. H. Billips officiating. The body lay in state at the Robert Cotton morning until Wednesday noon.

Falling Ceiling Injures Man And Wife Asleep

MONTCLAIR—Roland Winstead, 23, and his wife Evelyn, 22, were injured early Monday when part of the ceiling fell on them while they were sleeping in their room at 36 Mission street, Montclair. They went to Mountaineer Hospital, where three stitches were taken in a cut on Winstead's face. Mr. Winstead was treated for an abrasion of the forehead.

Rings "Stolen" Found; Prisoner Is Released

NEWARK—After serving part of a 15-month sentence in the Essex Penitentiary on a charge of stealing three diamond rings from the home of James Handford of 23 Park avenue, Maplewood, Ruth Martin of 34 Livingston street was released in the custody of her counsel, Lewis Sheps by Judge Dallas Flanagan this week.

The rings were found in the Handford's home last week and Miss Martin's attorney made a motion to have the verdict set aside on the ground that new evidence has been produced. The court directed Prosecutor Wackenfild to re-submit the case to the Grand Jury. Miss Martin was tried and sentenced on the charge that she stole the rings and gave them to a friend, Charles Strohmeyer. Miss Martin lived at 62 Rutgers street at the time of her arrest

Mystery Deepens Over Missing Girl

ORANGE—Mystery still surrounds the sudden disappearance of Elsie Morton, 18, of 269 Wallace street, on Friday morning, April 5. Elsie's mother, Mrs. Lucille Morton, notified police when her daughter failed to return home last evening and a search has been on to locate the missing girl.

The mother tearfully related that her daughter left home on the morning of her disappearance in the search of work. She stopped in a restaurant on N. Center street and had a cup of coffee but her whereabouts from that time on is not known.

The mother was at a loss to explain the daughter's failure to return home. Elsie had purchased her new Easter clothing and had a sum of money in the bank. She was wearing and the only money she had was what was in her pocket-book at the time.

Police are continuing their search for the girl while the mother is frantically appealing to friends to aid in helping to find her daughter.

Schaefer Opens House Campaign

NEWARK—In a special press conference last night at the Robert Treat Hotel, Mr. Walter A. Schaefer, candidate for the 10th Congressional District, announced his intention to carry out his campaign by visiting the homes of the voters in the district.

The aggressive candidate came out firmly for a FEPC in a 10-point platform he released, which states, "pass a national FEPC to preserve to every American citizen his right to a job regardless of race, color or religion." Other planks favor a national 65 cent minimum wage and the right of labor to organize and bargain collectively; continue the OPA; Veterans housing and the right of every American to have a home.

Mr. Schaefer also expressed himself in favor of abolishing the Poll Tax and the enactment of an Anti-Lynching Law. He condemned the "unholy alliance of Republican Congressmen and Senators with Southern Democrats."

Recreational Ass'n In Post War Conference

NEW YORK — The Regional Recreation Association of Correctional Institutions presented its first post-war conference in a two-day session, April 11th and 12th. The headquarters of the conference was 100 Centre street.

On the first day greetings were extended by Commissioner Peter F. Ambrose, M.D. of the department. Following him was Edwin J. Lukas, Executive Director Society For The Prevention of Crime.

Mr. Lukas topic was "Possibilities of Recreation As A Rehabilitative Process." Said the executive, "in its proper setting recreation can have a definite place. However, recreation must be related to the cause of the man's misbehavior to be effective."

Mrs. Anne S. Hutchins, Superintendent of Extension Work, New York Public Library, told of the help reading had been in the recreational life of the men in service. Further, when they were going abroad and told to discard all unessential material that books were left behind and everything else but books. A number of individuals according to the reading specialist, had developed in a new interest in reading and the peace it could afford even when the body was taxed to its capacity. The part reading played in the life of the inmate was also stressed.

A tour of the City Prison followed the discussion. It was found that individuals were well kept, clean, well fed and not placed in cell tiers according to race, color or creed.

The second day of the conference continued at Rikers Island Penitentiary. Edward F. Johnston, Acting Warden, greeting the group.

The highpoints of the conference however, was the presentation by Herman Spector, Chief Librarian, of an inmate who addressed the group on "Recreation and What It Means To Me." This inmate defined recreation as anything that provides escape from prison routine. He was of the opinion that a goal could be achieved within limits. A highly intelligent Negro man, the inmate felt and stressed as had earlier speakers, that unless recreation was related as much as possible to the behavior and needs of the men for which it was intended it was meaningless.

Prominent Civic Leader Succumbs

ORANGE—One of this community's oldest and most beloved citizens, Mrs. Mary Reid Williams, passed away at her home, 46 Newbury street, last Friday. Mrs. Williams was widely known for her participation in the religious, civic and political life of the Orange.

The deceased was born in Eaton, Ga., of free parentage on November 7, 1859, and moved to Orange in 1898 and has lived here ever since.

She was one of the founders of the Church of the Epiphany and also of the Oakwood Branch of the Y.W.C.A. She organized the first Parent Teacher Association in this community and was joint founder of the New Jersey State Federation of Women's Clubs. She has served as vice president of the North Eastern Federation of Women's Clubs and also organized the Civic League of Orange, the Harriet Tubman Literary Club and the Hampton Aid Society.

Mrs. Williams was equally as active in the field of politics and was the first woman to be elected a County Committee woman of the Republican Party in Orange and was serving in this capacity at the time of her death.

Funeral services were held in the Church of Epiphany on Monday afternoon with the Rev. Dr. George Marshall Pastor officiating. She is survived by her husband, Charles H. Williams; two sons, Simon and Drysdale B. Williams; a granddaughter, Mary Williams Blount; a brother, Banks Reid of New York; and a sister, Catherine Greene of Red Bank and also a number of nieces and nephews. Interment was at Fairmount Cemetery.

and was working at a bag factory at 14th and Hayes street. She had formerly been doing days work for the Handfords, working there Wednesday of each week. When she secured the job in the factory she went the Handford home in the hope of getting Mrs. Handford to change her day from Wednesday to Saturday as she was only working five days a week on her new job.

Mrs. Handford told her the change would be satisfactory and invited her to have a cup of coffee. In the meantime Mrs. Handford excused herself from the room and called police who took Miss Martin into custody for the theft of the jewelry. Though the Maplewood police secured a confession Miss Martin now claims she never took the jewelry or knows anything about it.

Strothers was named as the recipient of the rings and was scheduled to go on trial this week. He was paroled in the custody of his cousin after the rings were recovered and it understood that the indictment on which he was scheduled to go on trial will be nolle prossed.

Asks Court-Martial Review
The New York legislator also asked for review of court-martial proceedings which exonerated the white guards and reconsideration of a War Department ruling which found the Negro soldiers deaths "not in line of duty" and "due to their own misconduct."

"In addition to the above request," Powell's letter said, "the above-named committee feels that complete investigation should include a review of the court-martial hearings held in the cases of the two white guards who committed the slayings. If it is possible, I also desire that this be accomplished under the direction of your office."

"Transmittal as the decision 'due to their own misconduct' and 'not in line of duty' deprives the widows of these men of pensions, allowances, etc., should your investigation prove that the facts in these cases warrant a change in the manner in which these men met their death (that is, line of duty, etc.) I would appreciate consideration on behalf of the widows as far as granting of pensions, allowances, etc., are concerned."

Fugitive Slain Escaping Police

ELIZABETH—Police were holding William Parker, 22, of 142 Ingle place, who was shot early yesterday when he attempted to flee from Patrolman Dering here Monday.

Dering was told by the department to be on the alert for a burglar suspect. While patrolling Second street near Ripley place he noticed a man. As Dering approached, Parker ran up Ripley place and dashed into a rear yard at 242 Ripley place. After firing three warning shots, Dering hit Parker with a fourth. He was removed to Elizabeth General Hospital and treated for a hip wound.

Police learned that Parker was in the area when they answered a call that an unidentified man, while attempting to rifle the bureau drawers in a second floor apartment at 141 Ripley place, was surprised by Charles Pavlakis, occupant of the apartment. He escaped before the police arrived.

According to Captain Winklemann, Parker was recently released from Annapolis Reformatory, where he had been sent for an offense in Essex County.

has been spontaneous since the release of his platform and shows conclusively that the people of the Third Ward are ready for a progressive and constructive program under a competent leader.

"We have an organization of people in the ward who are anxious to see the section make progress and it is this element who are backing the Brown slate," he said. "With this kind of support, we are found to win these districts."

Dr. Andrew V. Morris, recent candidate for the Newark City Commission, also urged the election of the Brown slate as the best for the Republic Committee in a speech before the voters of the Sixth District.

"Colored leadership is in this ward to stay and it is imperative that we select the best man for this position. No man should be made to feel he has a monopoly on leadership and a change is the crying need in the Third Ward. I am backing Mr. Brown and his candidates for the Republican County Committee and I sincerely urge all of my friends who shared their confidence in me in the last City Commission Election, when I was given the highest vote of any candidate in the race, to support Oliver Brown and his slate," he told his listeners.

tested districts must win overwhelming, leaving no doubt that the Third Ward would dare compromise for any leadership other than true Negro representation. At the regular Third Ward Republican organization meeting here last Wednesday it was announced, George H. Becker, Republican County Chairman, named Brewer, Negro County Campaign Manager for "Driscoll for Governor."

Lucius H. Tompkins, chairman of the Executive Committee of the Third Ward group reported at the Wednesday night meeting the beginning of the annual membership drive. Members and district leaders were urged to enlist every effort in securing the largest enrollment in the organization's history.

Registration in Essex Open Through April 25

NEWARK — Anthony P. Miele, commissioner of registration, announced today that his office at the Hall of Records in Newark and the various municipal clerk's offices throughout Essex County, would continue to take registrations and transfer of property on the regular daily business hours of registration and transfer on the last three days, Tuesday, Wednesday and Thursday, April 23, 24 and 25 from 9 a. m. to 5 p. m. Persons who fail to register or who are registered and have moved within Essex County to a new address, and have failed to notify Miele's office of the new address on or before Thursday, April 25 will not be entitled to vote in the coming June 4 Primary Election. Miele added that all persons who are citizens of Essex County for one year and of Essex County for five months as of November 5, the date of the general election, are entitled to vote in the district in which they actually reside, provided they are registered as voters. Persons who move into Essex County from another county in New Jersey must register and cannot become Essex County voters unless they do so.

Miele called attention to the "liberal procedure" which has been adopted by his office permitting discharged service men and women to register as voters up to and including June 4, which is Primary Election Day. Miele pointed out that World War II military personnel who have been discharged from the Army need only appear at the Commissioner of Registration's office at the Hall of Records in Newark or at any of the municipal clerk's offices in Essex County, where they will be permitted to register as voters anytime from now up to and including Election Day. All those discharged persons who register as voters on Election Day will be given an order permitting them to vote on an emergency voting form in the district in which they reside.

Miele stated that his office was doing away with all red tape and complications which might interfere with the desire of the GI's to cast their ballots in the coming Primary Election. There are some, however, Miele stressed, who may be of the opinion that this "liberal procedure" will permit dishonest poll workers to cast illegal ballots by misrepresenting themselves as former members of the armed forces. Miele warned that every vote cast by emergency voting form or by ex-service personnel would be fully investigated and those persons found responsible would be prosecuted to the limit of the law.

Asbury Park

(Continued from Page 1)

The President of the Board of Education proposed to investigate the situation and would give an answer when the investigation had been made. He directed the Superintendent of Schools, Dr. Harry S. Hill, and Dr. Joseph F. S. Carter, a member of the Board of Education, to see which had appeared before the Board and to make recommendations. A conference was held between Dr. Carter, Dr. Hill, and a committee from the Civil Liberties League during the conference the committee from the Civil Liberties League presented a written report less than complete integration would defeat the purpose of their request. It was argued that in order to make integration effective that the spirit of oneness must be present not merely the semblance.

Dr. Hill proved to be a very liberal and democratic man. At the end of the conference he stated that he agreed with the reasoning of the committee and felt that it was his duty to recommend a completely integrated school system which would include the integration of the students, teachers, and principal.

On Monday, April 8, the Civil Liberties League held a public meeting and announced the objectives which were as follows:

1. Compulsory integration of students without regard to race in one school building.
2. That teachers be appointed and promoted solely on the basis of preparation, ability, and seniority.
3. That Hyland R. Moore, Negro principal of Bangs Avenue South School shall be principal of the integrated school since he has seniority totaling 18 years.

These objectives were published in the local newspaper on the afternoon of April 9 prior to the Board meeting that evening.

On April 9 the attorney and a committee of citizens attended the meeting of the Board of Education at which time the Board was again urged to adopt the recommendations which the Superintendent had promised to make. During the course of the meeting the Superintendent made his recommendations.

However, he prefaced the recommendations by an explanation of the reasons why he made his recommendations as broad as they were. Dr. Hill reviewed the law as it has been amended by the New Jersey courts and stated that he had sought the legal opinion of lawyers who had acted in a manner soited in cases of discrimination in the schools of New Jersey and had even sought the opinion of the Attorney General's office.

He reported that he had been advised by all with whom he had conferred that it is contrary to law to discriminate in a manner against Negroes in the New Jersey schools. He further stated that it was a matter of personal choice to the Superintendent or with the members of the Board of Education, the law is clear and it was the question of whether the Asbury Park Board of Education would abide by the law now or would prefer to wait until the Board of Education to discontinue segregation. The Superintendent and the Board were continually reminded that it was a criminal offense in New Jersey to bar children from a school on account of race, color or creed.

It is also significant that in presenting his recommendations the Superintendent of the schools employed two points: (1) that neither the Superintendent nor the Board of Education has any choice in the matter but were bound by law; and (2) that anything short of integration of students, teachers and principals would be a subterfuge and would tend to defeat the purpose of the law.

Resolution of Board of Education, City of Asbury Park, N. J.

ORDERED, That, in compliance with the statutes and decisions of the highest courts of this state, the Superintendent of schools be authorized to proceed as follows:

1. To pursue a policy of non-discrimination in public schools in order to make integration effective.
2. To effect through the assignment and transfer of students a positive policy of integration for Bangs Avenue Schools.
3. To make the assignments and reassignments in the personnel of the staff and in pupil enrollment which in his judgment are warranted for effecting this policy of integration for the Bangs Avenue Schools.

Explanation

This resolution is framed for a compliance with the following statutes and decisions of the courts of New Jersey:

- A. Revised Statutes, Title 18, Article 14, Paragraph 2.
- B. The decision of the New Jersey State Supreme Court, rendered in November term, 1883, and affirmed in June term, 1885, by the Court of Errors and Appeals in the case of Pierce versus Union School District Trustees, City of Burlington, County of Burlington, and reported in 46 N.J.L. 76 and 47 Id 348 respectively.
- C. The decision of the New Jersey State Supreme Court, rendered June 15, 1927, in the case of Ralson versus Board of Education, Township of Berkeley, County of Ocean, and reported in 103 N.J.L. 547.
- D. The decision of the New Jersey State Supreme Court, rendered March 3, 1933, and affirmed by the Court of Errors and Appeals on January 5, 1934, in the case of Patterson versus Board of Education, City of Trenton, County of Mercer, and reported in 111 N.J.L. Miscellaneous 179 and 112 N.J.L. 99 respectively.
- E. The decision of the New Jersey State Supreme Court, rendered January 31, 1944, in the cases of Hedgepeth versus Board of Education, City of Trenton; and Williams versus Board of Education, City of Trenton.

Dr. Carter moved that the recommendations be adopted. Mrs. Mooney, a member of the Asbury Park Board of Education, seconded the motion and the recommendations were unanimously adopted by the Board.

Later in the meeting the Asbury Park Board of Education appointed Hyland R. Moore, principal of the future Bangs Avenue School and appointed Donald Young (the white principal of the Bangs Avenue North School), vice principal of the integrated school. "The Board ruled that the integration should start September 1, 1946.

On April 11 Mr. Hyland R. Moore was given a contract by the Board of Education providing for his services as principal of the

Her hobbies are horseback riding, skating, art and dancing.

Bangs Avenue School for the year beginning September 1, 1946. This was a complete victory on the part of the Civil Liberties League and has completely eliminated segregation from the Asbury Park school system. It is significant to note that this was accomplished without resort to the courts.

League directed his efforts towards convincing the Superintendent of Schools that the law has been so firmly established on the question of segregation in the school system that an application for segregation from a school would inevitably result in a direction from the court to the Board of Education to discontinue segregation. The Superintendent and the Board were continually reminded that it was a criminal offense in New Jersey to bar children from a school on account of race, color or creed.

There was widespread cooperation on the part of the colored citizens in Asbury Park. Among those who deserve special mention for their efforts are: Lorenzo Harris, Mrs. Isaac R. Richardson, Rev. John H. Ashby, Dr. William Minyard, Rev. Farley Fisher, Rev. Isham McCoy, Rev. George Crawley, Booker Milby, Lt. William Carr, Mrs. Louisa Clark, Mrs. Maggie Hill, Dr. Richard Carter, Mrs. Margaret Hayes, Dr. Joseph F. S. Carter.

Negro College Fund Drive Begins

NEW YORK — The third annual campaign of the United Negro College Fund was launched this week by a public meeting from 4 to 5 p. m. in the Rainbow Room of Rockefeller Center. Frank M. Tolton, vice president of the Chase National Bank and the Fund's national campaign chairman, announced.

The goal of the 1946 appeal is \$1,500,000, of which New York City's quota is \$200,000. The money will be used to meet current operating expenses of the 33 member Negro private colleges.

Brigadier General George A. Horkan, Camp Lee, Virginia, commanding officer, was the keynote speaker and talked for his wartime experience working with hundreds of thousands of Negro soldiers of the Army Service Forces.

Other personalities on the program included:

- Miss Dorothy Maynor, concert soprano and a graduate of one of the member colleges.
- Miss Gladys Childress, concert pianist who had a Rosewald Fellowship in music last year, appeared as soloist with the Sperry Orchestra, Norman Pickering conducting.

David D. Jones, president of Bennett College, Greensboro, N. C., a member institution.

Edwin Embree, president of the Julius Rosenwald Fund, Chicago.

William E. Cotter, counsel of the United Caribbe and Carbon Corporation and chairman of the campaign in New York City.

A Negro veteran, now enrolled in a member college, will speak for the estimated 2,000 Negro GI's who desire college education under the "GI Bill of Rights."

"These 33 schools," Mr. Thornton

declared in announcing the meeting, "have always labored under great handicaps in their efforts to provide education for a major portion of America's 15,000,000 Negroes."

To make this condition more difficult, Negro servicemen in large numbers are returning to colleges. Also, war workers who put much of their earnings into war bonds are now providing their children with the education they were unable to acquire themselves.

"A recent survey discloses that education of their children ranks highest among the things for which Negro families plan to spend their war bonds."

The colleges affiliated with the Fund are: Atlanta University, Atlanta, Georgia; Atlanta University School of Social Work, Atlanta, Ga.; Benedict College, Columbia, S. C.; Bennett College, Greensboro, N. C.; Bethune-Cookman College, Daytona Beach, Fla.; Bishop College, Marshall, Tex.; Clark College, Atlanta, Ga.; Dillard University, New Orleans, La.; Fisk University, Nashville, Tenn.; Gammon Theological Seminary, Atlanta, Ga.; Hampton Institute, Hampton, Va.; Howard University, Washington, D. SALLY'S CHATTERINGS

THE LADIES AND GENTLEMEN OF THE PUBLIC... bring their case to your gal Sally... and we in turn present it... as case worthy of consideration and hearing... that the famed and beautiful Alumni Club High street, Newark... thro its officers seemingly have lost sight of the fact that a college degree does not make a gentleman or a lady... THE LADIES AND GENTLEMEN OF THE PUBLIC... declare and so delectably your gal Sally... a lady or a gentleman as to the manner born... and its character... and respectability and contribution to your community... which should set you apart from the rabble... in this end we bring the case of our public and lay it down at the feet of the officers of Alumni House... for what it is worth.

ANOTHER ISSUE WHICH SEEMINGLY IS THE TALK... of the town... is the exorbitant prices which our beautiful and gorgeous Alumni House... are calling for in order to obtain the use of the rooms of "Show Place" of North Jersey... prices so exorbitant until it causes those ladies and gentlemen desiring to patronize Alumni House... to resort to their former places of abode (Y.M.C.A., Y.W.C.A., etc.)... and even trickling back across the river (Gotham) to some relatives... Surely there is an alternative to this dire situation whereby we reach a "happy medium"... (Alumni House benefits and its public is pleased)... WE PAUSE TO SAY A HAPPY EASTER TO OUR PUBLIC... and surely 'tis that... the world's at peace... God's in His heaven... men have ceased studying war... and turned to beating their spears into plowshares... the drab dress of strife is discarded... and resurged in a better life for men, women and children throughout the world (we hope) WITH THE COMING OF EASTER... The N. J. Metropolitan Chapter of Negro Women (the charming Mabelle Robinson, presy) present on Saturday, May 11th at the Sojourner Truth Branch Y.W.C.A. (instead of Alumni House) a very promising Dessert Bridge Party... commencing at 2 p. m., and if you love bridge... or just adore watching pretty lassies mingling together in charm and dignity... your date for Saturday afternoon will be Y.W.C.A. with N. J. Council... and as a special treat your gal Sally has been invited as special guest of the charming Mrs. Lacey (Girard place)...

THEN OCCURRE YOU RECALL THE GAITY... fun and grand time we enjoyed during the Xmas season with the pretty Dilettantes... well we have a repeat performance... when this group presents its First Annual Spring Frolic at Lloyd's Manor Saturday, April 27... with the inimitable Johnny Jackson and his lads giving out with the rhythmic downbeat... -LET YOUR MEMORY WANDER BACK TO... war days and the happy entertainments... based the boys in camp by volunteer entertainers from all over the State... and you will add to your calendar-of-mem'ry-attend... the super Post Easter Jam Session and Dance... being sponsored by Peoples Progressive Committee (donned to assist our beloved "Butts" Brown in his candidacy for Third Ward Chairman) at Graham Auditorium Friday evening, April 28... Million Funnies promises grand entertainment... and Johnny Jackson assures that his boys will play as never before... WE ARE DISTRESSED AND SADDENED... to learn of the demise of the youngest baby girl of lovely Christine Wiggins Stickland and her hubby... they do have our sympathy... AT THE REQUEST OF THE BEAUTEFUL EFFA MANLEY... your gal Sally is aiding in recruiting lovely lassies... to assist in taking the N.A.A.C.P. collection... which the Manleys for the past few years have so graciously set precedent at their opening baseball games... The public should

IN SHILOH FASHION SHOW

The charming young ladies who displayed the latest Spring and Summer apparel at Shiloh Baptist Church, on last Thursday evening, sponsored by the Young Women's Guild of the church.

NEWARK — The Shiloh Baptist Church, Davenport avenue and North 10th street, was crowded to capacity when the Young Women's Guild of the church presented a "Pre-Easter Promenade" on last Thursday evening.

The fashion show was directed by Mrs. Pauline Jeffries. Among the glamorous models were the Medames Julia Jeffries, E. Dougherty, I. Goode, C. Sapp, R. Smith, S. Perry, and Pauline Jeffries. Also the Misses J. Koon, N. Bailey, D. Holmes, E. Evans, E. Holmes, Hargwood and S. Evans. The charming hair styles were created by Rosetta's Beauty Salon, 367 North 6th street, of which Mrs. J. Evans.

Rachel Enbanks Wins Fellowship

NEW YORK — Rachel Amelia Enbanks, graduate of the University of California, who originally hailed from Oakland, and who is enrolled for her master's degree in music at Columbia University, was notified this week that she has been awarded the coveted Moseenthal Fellowship for 1946-47.

Miss Enbanks is the first Negro student to be so honored. The Moseenthal Fellowship, according to the young composer, was established in the memory of the late Joseph Moseenthal, and is intended to aid students of musical composition in their art. It is awarded every second year by the University Council, on nomination of the Department of Music. Applicants are required to show a thorough knowledge of harmony and counterpoint and

some ability to compose for full orchestra by submitting a number of original compositions in support of their applications. The California submitted her "Fantasia" for two violins and full orchestra, to win the award.

The young composer told the writer, also, that her "Frelude for Piano" was published. Further, that Rose Kunz, former operatic star, sang her song, "Autumn" over station WNYC, during the American Festival Week. "The Silver Couter," "A Curious Cloud," and "Sea Gull" are other of the young student's compositions.

In addition to the Fellowship, Miss Enbanks has been elected to membership in the music honor society, Alpha Mu, by her Alma Mater, the University of California. She will be initiated in absentia and is the first student to have been invited to membership.

The Delta Sigma Theta soror is active in St. Mark's Church in Harlem and the music division of the Salvation Army Servicemen's Club of Harlem.

The musician indicated that constant applications to one's task is most important in that qualified race composers are on their way up.

BACKS DON'S FORMULA

Mrs. ELLA MONCUR

NEWARK — Prominent business woman and promoter, lovely Mrs. Ella Moncur, tells why she likes New Jersey's most celebrated hair treatment preparation, Don's Formula X-23. For hair and scalp. X-23's Pin-Up Girl states: "This is not an advertising stunt with me. I am a very busy business woman. When I say I like Don's Formula X-23, I mean it, and there is a real reason why. I like it because — first of all it has helped me. For that reason only I tried it on many of my personal clients and they were delighted. From the use of this great formula, nearly every person I serve receives quick benefits. Many of them have had sudden changes in the life, luster, beauty and growth of their hair. I think it is swell! I wouldn't do without it. For the good it has done me and my clients, I shall always keep plenty of it on hand." Mrs. Moncur was the state's first

beauty culturist to discover greatness in the therapeutic power of his unusual hair formula. She was born, reared and educated in Newark, and still a very young woman, has climbed to the top of the ladder in the field of hair culture. She is the proprietor of two ultra modern beauty salons in the city: the Theatrical Beauty Salon, 219 Eighteenth avenue, and "The Powder Puff," at 183 South Orange avenue. Both establishments have a complete staff of competent operators, who help her carry out her ultra scientific work in designing and protecting the hair of her many customers, with the Donald C. Stokes Scientific Proven Method.

Homecoming Day At Bordentown

BORDENTOWN — The Bordentown School will hold its Homecoming Day for old students, who left in good standing, Saturday, May 4, 1946. This is the first Old Students Day that has been held since the beginning of the War. These activities were cancelled because of the difficulties of transportation, food, etc.

The Exercises will begin at 2 o'clock in the afternoon and continue through the day. The students will assemble in the Chapel where the program will be rendered by both the present students and the old students. Games will be played on the athletic field, and in the evening there will be a social.

Many students who have seen service in foreign Wars will meet again for the first time in many years. There have been many changes in residence and, therefore, former students are requested to pass the word along so that as many as possible will know about the Day. Those who contemplate attending are asked to send a postal card.

"Creatures Of Impulses" At Jersey City Y.W.C.A.

JERSEY CITY — The many talented young people of this community will be featured in the opera, "Creatures of Impulses," given by the Younger Girls Committee of the House of Friendship Branch Y.W.C.A., 43 Belmont avenue, on Thursday evening, April 25th at the Y.W.C.A., 270 Belmont avenue.

The plot of "Creatures of Impulses" revolves around the people who inhabit "Flanders." They cross the path of a mysterious old lady, who has some special magic that enables her to survive without eating any food. The manner in which this old lady betwixches all who cross her path makes for an interesting and fast-moving little play.

The principal parts in the opera will be played by Alice Hayes, lyric soprano, in the role of "Pipette," Herbert Richardson, tenor, "Pete," Daniel Crump, baritone, "Bloombehardt," Audrey Crump, mezzo soprano, "Miss Martha," George White, baritone, "Sergeant Klocque," Constance Nebett, alto, "Old Lady," Patricia Jackson, Juanita Williams and Alva Hayes, the trio, portray the parts of "Porrette," "Ivyette" and "Jonnnette," respectively.

A mixed chorus of village boys and girls and some dancers make up the complete cast. They include Sara Watkins, Edith Bland, Gwendolyn Bland, Dolores Staples, Robert Lee Gant, Elfreida Hye, Edward Davis, Julian Tinsley, Andrew Robinson, Juanita Merritt, Florence Bennett, Willie Mae Dixon, Lois Jones, Ethel Simmons, Ethel Phillips, Willie

Alfred Tuck Weds Long Branch Girl

LONG BRANCH — The nuptial rites of Miss A. Ruth Moore, daughter of Mr. and Mrs. Sewall J. Moore of 233 Potter avenue, and Alfred T. Tuck, son of Rev. and Mrs. A. T. Tuck, of California and North Carolina, were performed last Sunday afternoon, before a beautifully improvised altar at the home of the bride's parents.

Rev. J. C. Williams, pastor of the Second Baptist Church, officiated.

rected by Mrs. Rosamond Martin and Mr. Basil Frazier, the former being directly responsible for the music and the latter for the dramatics. Miss Anise Johnson assisted in the dances. Miss Gloria Bowman, a student of the opera, is the pianist for the opera. She is a student of Mrs. Rosamond Martin.

The sponsoring committee includes Mrs. Doris Wheeler, chairman of the opera; Mrs. Sybil St. Hill, chairman of the Younger Girls Committee; Mrs. Marian Irving, Mrs. Martha Nelson, Mrs. Druffiller Pittman, Mrs. Ruth Chisholm, Miss Ann Wiggs and Miss Zephora Lee. Mrs. Zephora L. Thompson is Program Director for Younger Girls.

DEWEY PAYNE

PAUL COLLINS

NEWARK — These two well-known gents of Cafe Society, Dewey Payne and Paul Collins, entertained over three hundred persons last Sunday evening when they held their gala Palm Sunday Frolic, at the beautiful Lloyd's Manor, 42 Beacon street.

Attention, Please!

It was Miss Bernice Maxwell who was soloist at the Edith Ashby wedding, reported here last week, and not Miss Bernice Robinson, The Herald News was informed this week.

Preceding the ceremony, the bride's brother, Hannibal E. Moore, who has been recently honorably discharged from the army, sang "Because," accompanied by Mrs. Ruth Hurd Minor, of Roselle, who also played the wedding March.

Given in marriage by her father, the lovely bride wore a white satin gown, shirred bodice with insets of mousseline de soie to the high neckline, a full skirt and train of mousseline de soie. Her tulle and lace veil was attached to a pearl coronet. She carried a white satin prayer book with white streamers and gardenias.

Miss Charlotte Meade of Long Branch served as maid of honor, while little Miss Betty Ann Williams of Elizabeth, cousin of the bride, served as junior bridesmaid.

The maid of honor wore a gold tulle gown, with a sweetheart neckline with a ruffled skirt. A halo of flowers with emerald, green tulle and matching full-length gloves completed her attire. The junior bridesmaid wore a white crepe and net gown, with a ruffled bodice and a full net skirt, trimmed with tiny roses. She wore a halo of white ostrich plumes and tulle, with matching gloves. Both attendants carried Colonial bouquets of beautiful spring flowers.

Mr. James R. Williams of Elizabeth was best man. Ushers were Hannibal E. Moore and Lester Bailey of Long Branch; and J. Roland Williams Jr., of Elizabeth, was junior usher.

The bride's mother wore a pearl gray crepe dress and a corsage of red roses.

Hostesses were Mrs. Ann Ross, Mrs. Della Moore, Miss Hilda Ross, Miss Theresa Moore of Long Branch; Miss Julia Barrett of East Orange; Mrs. Esther C. Williams and Mrs. J. Mildred Wright Bharrett of Elizabeth; Miss Mary Wheeler Crowley of Washington, D. C., and Miss Emily Wells of New York City.

The reception following immediately after the ceremony with guests from Long Branch, Asbury Park, Red Bank, Matawan, Sea Bright, Eatontown, Summit, Rahway, Roselle, Elizabeth, Newark, East Orange, New York City, Washington D. C., North Carolina and Virginia were in attendance.

Mr. and Mrs. Tuck left on a two week honeymoon.

The bride's going-away outfit consisted of a Frothing's wool gray striped, dolman sleeved dressmaker suit, with pink accessories. Her pink felt hat was topped with a feathered bird and black veiling. She wore a corsage of gardenias.

Mrs. Tuck attended Long Branch schools and graduated from Long Branch Junior College. She is at present employed as secretary at the Union Paper Company in Red Bank. The groom attended schools in North Carolina and California and is a graduate of Shaw University. Recently discharged from the Navy, he is employed by the Pennsylvania Railroad.

The young couple will reside temporarily at the Potter avenue address.

Asbury Park Victory

The citizens of Asbury Park—white and colored—have won a fine and uplifting victory in the unanimous decision of the Board of Education to end Jim Crow in the school system.

As we contemplate this citizens' victory at Asbury Park, we are reminded that April 12 is the first anniversary of the death of our late great President, Franklin Delano Roosevelt; and reminded of his words: "We must cultivate the science of human relationship—the ability of all peoples, of all kinds, to live together in the same world, at peace."

COURAGE AND INTEGRITY

We are reminded, too, of Herbert Agar's words that peace is not the absence of war, but the presence of justice.

Thus reminded, we are keenly appreciative of what has been wrought at Asbury Park: the white and colored citizens of this town have looked upon the face of social injustice and the violation of human personality occasioned by the illegal and unjust practice of Jim Crow in the local school system, and have had the courage and integrity to vote its abolition.

ENOUGH FOR ALL

Let those who have worked for this happy conclusion, have labored, known or unknown, in their several ways to effect it, take such pride and credit as their hearts can embrace. There is enough of each for all who have participated in, and contributed to, the shining result.

A CONTRIBUTION IS MADE

The people of Asbury Park (it does not greatly matter whether they entered early or late into the struggle to do good and justice to themselves and their fellows in the area of public education) have shown a fine sense of what it is to "cultivate the science of human relationship—the ability of all peoples, of all kinds, to live together . . ."

The contribution Asbury Park citizens have thus made to the cause, through the action of the Board of Education, we predict, will be more keenly seen and appreciated with the enrichment of community life that must follow the widening of the circle of human contacts and understanding effected by the board's decision.

Pattern And Strategy

It would be extremely unpollitic to fail to see in the result of the Asbury Park school fight a developing pattern and strategy of action.

No one can deny that Jim Crow is a fact all too widespread in New Jersey public life. No one can deny that New Jersey statutes are preponderantly against Jim Crow practice.

SCHOOL LAW AND COURT DECISIONS

In the field of public education, school law and court decisions (the most notable of which is the decision in the Hedgespeth case at Trenton, outlawing discrimination on the grounds of color, in the public schools) offered the course of action for the anti-Jim Crow forces at Asbury Park, as any fairly literate lawyer could have told you.

MORE THAN COURT DECISIONS

But court decisions, more than less, are only the starting point for assuring fair play and justice. The thing to remember is that they are, at least, starting points. And, given this starting point, an alert and energetic citizenry, such as we have at Asbury Park, can do a bit of all right.

WHAT HAPPENED

What happened at Asbury Park was really very simple. The colored people were sick and tired of having their children Jim Crowed, treated as though they had neither civil nor human rights in the matter of public education. They decided to do something about it. Leaders of the colored community got in touch with the Herald News and, with the advice of its editor and publishers, decided upon a course of action.

Having decided upon a course of action, these leaders quietly began organizing local sentiment. They devised a program, mobilized local progressive forces, chose in Attorney Walter Upperman an able spokesman for these forces, took their case before the Board of Education and, on the strength of their representations and the merits of their case, won.

What has been done at Asbury Park can be done elsewhere in New Jersey.

The pattern and strategy of action has now been made clear enough for all to follow.

Roosevelt: 1 Year Later

Last Friday, April 12 marked the first anniversary of the death of Franklin Delano Roosevelt, creator of the New Deal, designer of the "Arsenal of Democracy," and architect of victory and the peace.

We can think of no higher tribute to the memory of Franklin Delano Roosevelt than his own words, so lovingly gathered and quoted from his speeches by the Newspaper PM, in its April 12 issue:

ROOSEVELT SPEAKS

I know that the American people—business, labor, and agriculture—have the same will to do for peace what they have done for war. And I know that they can sustain a national income which will assure full production and full employment under our democratic system of private enterprise, with government encouragement and aid whenever and wherever it is necessary.

This is not the time in which men can be forgotten. The returning soldiers, the workers by their machines, the

'... But American Fascism Shall Never Die'

farmers in the field, the miners, the men and women in offices and shops, do not intend to be forgotten. They know they are not surplus. Because they know that they are America.

The keynote of all that we propose to do in reconversion can be found in the one word: JOBS.

In my message to the Congress on the state of the Nation, I outlined an economic bill of rights on which "a new basis of security and prosperity can be established for all."

And I repeat it now:

The right of a useful and remunerative job in industry in the shops or the farms or the mines of the nation.

The right to earn enough to provide adequate food and clothing and recreation.

The right of every farmer to raise and sell his products for a return which will give him and his family a decent living.

The right of every business man, large and small, to trade in an atmosphere of freedom from unfair competition, from domination by monopolies, at home or abroad.

The right of every family to a decent home.

The right to adequate medical care and the opportunity to achieve and enjoy good health.

The right to adequate protection from the economic fears of old age, of accident, or unemployment.

And last of all, the right to a good education.

If this world is to be a place in which peace is to prevail, there must be more abundant life for the masses of the people in all countries. There are so many people in this world who have never been adequately fed and clothed and housed. By undertaking to provide a decent standard of living for these millions, the free peoples of the world can furnish employment to every man and every woman who seeks a job.

We are planning now to provide temporary remedies for the ills of a stricken world; we are planning to achieve permanent cures—to help establish a sounder world life.

You ought to thank God tonight if, regardless of your years, you are young enough in spirit to dream dreams and see visions—dreams and visions about a greater and finer America that is to be; if you are young enough in spirit to believe that poverty can be greatly lessened; that the disgrace of involuntary unemployment can be wiped out; that class hatreds can be done away with; that peace at home and peace abroad can be maintained; and that one day a generation may possess this land, blessed beyond anything we now know, blessed with those things—material and spiritual—that make life abundant. If that is the fashion of your dreaming, then I say: "Hold fast to your dream. America needs it."

May this country never forget that its power in this war has come from the effort of its citizens, living in freedom and equality.

May this country hold in piety and steadfast faith those who have battled and died to give it new opportunities for service and growth.

May it reserve its contempt for those who see in it only an instrument for their own selfish interests.

May it marshal its righteous wrath against those who would divide it by racial straggles.

And may it lavish its scorn upon the faint-hearted.

Finally, may this country always give its support to those who have engaged with us in the war against oppression and who will continue with us in the struggle for a vital, creative peace.

And so I say, God bless the United States of America!

New Crop Of Old Species

No one can read the words of Franklin Roosevelt quoted above, without realizing the diminution of hopes and fulfillment American life has suffered in the past year.

As perspective clears and lengthens, we begin to see the magnitude and quality of the Roosevelt contribution to the promise and fulfillment of American life.

MEASURE OF DETERIORATION

From his death, a slight year ago, one can indeed measure the deterioration of domestic and international relations; and note, moreover, this deterioration in terms of his absence from the home and world scene, the absence of his counsel and vision, the absence of his persistent belief in the ability of people to clarify and cement human relationships.

MR. VALIANT-FOR-TRUTH

Of him it may be said as it was said of "Mr. Valiant-FOR-Truth," in "The Pilgrim's Progress": His sword he has left to him who has succeeded him in his pilgrimage; and his skill and courage to him who can get it.

Already, a new crop of the old species of humbug and hamstrings of the popular will has sprung up, to block the realization of the just claims every man, woman and child has at the bar of American life.

"SHORT-SELLERS"

As his words clearly indicate, FDR did not overlook the claims of any American—businessman, laborer, farmer, veteran, Negro, Jew, any member of a minority, or any

Raps Bias In Vets Hospital Plan

NEW YORK — In a sharply worded statement, the NAACP criticized Maj. Gen. Paul R. Hawley, Chief Medical Director of the Veterans' Administration, for the policy of continued racial segregation in VA Hospitals and other installations. Gen. Hawley in attempting to justify the administrative policy had stated "some very outstanding members of the Negro medical profession have told me in confidence that they fully approve of this policy."

NAACP officials called attention to the conference held with Gen. Hawley on October by a delegation representing the National Medical Association, the National Association of Colored Graduate Nurses, the National Negro Publishers Association and the NAACP. At that time these four organizations expressed their unequivocal opposition to segregation in any form.

The overwhelming majority of Negro doctors in the U.S. are members of the medical association. It seems rather strange therefore that Gen. Hawley should continue the Jim-Crow policy and that "the official action of the NMA should be brushed aside by a few anonymous members of the Negro medical profession who apparently do not have the courage to speak out and resort to the questionable practice of telling Gen. Hawley 'in confidence'."

Walter White, secretary of the Association, stated "We again submit that if the Veterans' Administration feels that certain sections of our country are so hopelessly backward that the power of the Federal government cannot insure practice of justice and democracy in those sections that it is obligatory on the part of the Veterans' Administration to build no hospitals or other facilities there. The Veterans' Administration instead should transfer their facilities to sections of the country where human decency, justice, and opportunity may be given to Americans irrespective of race."

Crispus Attacks Ass'n To Hold Meet

NEWARK — Congressman William A. Dawson, member of the House of Representatives from Illinois, has been extended an invitation to the principal speaker at an "I Am An American Day" celebration, Sunday, afternoon, May 19, at St. James A.M.E. Church, Newark. The program is being sponsored by the Crispus Attucks Association, Inc.

By a recent proclamation of President Truman, the nation will mark the day as an occasion for thanksgiving and to offer prayers for worldwide peace.

According to Leo J. Lawrence, vice president of the Crispus Attucks Association and chairman of the program committee, the list of other speakers will depend on the decision of Congressmen Dawson. In addition to the Congressman, some other Negro of national repute. Rev. Thomas L. Puryear, pastor of St. Matthew's A.M.E. Church, Orange, will be among the speakers.

Plans for the celebration, he also stated, will include a gigantic street parade in which fraternal organizations of the state, Boy and Girl scouts, and other marching groups will be asked to participate. Alexander Brathwaite, veteran grand marshal of many parades, is expected to serve again in this capacity on May 19.

seeker of rational change in the conduct of domestic and world affairs.

It is our view, that to remember FDR, in any proper and fitting sense, is to renew the effort to realize the goals he set up.

We can think of no better time to remind our readers and friends to beware of the old-time political "confidence men"—the short-sellers in the political market, the nay-sayers of political hopes, the deniers of dreams, the enemies of veterans, workers, minorities—than this occasion on which we remember, with reverence, the birth and death of Franklin Delano Roosevelt.

The Cancer Drive

April, as our readers know, has been set aside as cancer control month.

Throughout the country, energetic appeals are being made for funds to aid the effort to check the dread disease that is killing 175,000 Americans annually.

175,000 AMERICANS A YEAR

Cancer is the disease that killed 175,000 Americans each year—one every three minutes; the disease that took twice as many lives as this country lost between Pearl Harbor and the end of the war in Japan, a fact noted in Marc Moreland's "Conversation Piece," on this page last week.

The American Cancer Society, and its various subsidiaries, need no less than a billion dollars, to promote research and to aid local societies in their educational and medical activities.

A PRESENT DREADFUL FACT

One can argue, as Dr. Moreland did in his column of last week, that the government should assume responsibility for the basic health needs of the population. And we agree with him completely; but cancer is too dreadful a present medical fact to wait on this kind of social reform.

Therefore, we urge our readers to contribute their utmost to the national cancer control drive.

We believe that colored citizens—who, certainly, will benefit most immediately from such contribution because of their status in American community life—should contribute freely, and to the fullest extent, for an explicit reason.

WEIGHING ONE'S CONTRIBUTION

This reason is: Colored citizens, because of their second-class status and all this implies, just can't go wrong in contributing fully and freely to the cancer control drive.

It is time colored citizens began to give monetary contributions to organizations which—unlike the YMCA but very much like the American Cancer Society—give evidence of an interest in their basic and spiritual well-being.

If it is more blessed to give than to receive, it is certainly even more blessed to those social agencies which help the body without handicapping the mind and spirit. We consider the American Cancer Society just such an agency.

Our State Of Affairs

By O. W. "BUTTS" BROWN

ANOTHER VICTORY

As predicted in this column several weeks ago, the Board of Education of Asbury Park has decided to integrate the colored and white students at Bangs Avenue School. This marks a great victory for the liberal forces of the community and puts Asbury Park in line with the progressive step taken last year by the City of Trenton.

Now is the time for the colored citizens and their liberal white friends to begin a similar movement in Camden and Atlantic City to eliminate their separate schools. It is impossible for them to exist in communities who will push the issue. The law has decreed that they are illegal and immediate steps should be taken to have the abolished.

The Herald News initiated the fight to break up the disgraceful Jim-Crow practice at Bangs Avenue School and is just as interested in Camden and Atlantic City. There must be no compromise with the forces of separatism in New Jersey and the only way to end this vicious practice is to hit these schools NOW and keep on hitting them until they are a horrible memory.

The selection of a man from Tennessee to be the chairman of the Republican National Committee failed to strike a responsive chord with the colored voters of New Jersey. We had hoped that the old reactionary forces of the party had been thrown out of control but this latest move causes great doubt among the liberal element of the Republican Party.

The Negro vote plays a vital part in any Presidential Election and may cause the defeat of a Republican candidate. The late Franklin D. Roosevelt won a great majority of the colored voters over to his side but many of these voters have not been so enthusiastic about the Democratic Party since Truman has taken over. We had hoped that a relentless drive would be inaugurated to win these voters back to the G.O.P. but the placing of a Southerner at the head of the party is a doubtful procedure.

It is evident that somebody is being poorly advised on this matter of handling the Negro vote in America and it is about time for the heads of the Republican Party to get some new advisers. The Negro must be taken into the party councils if the Republicans hope to take over in Washington in 1948. To continue on the same indifferent path that the party heads have been traveling will only lead to disaster.

Now is the time to start the drive to win over the colored voter for the 1948 Presidential Election. This must be done by means of a real constructive program that will appeal to Negroes. The disgraceful coalition of Republicans and Southern Democrats that now exists in Washington must be broken up. Negroes have seen this coalition defeat the FEPC Bill and the Poll Tax legislation. The colored voters will rightfully question the sincerity of the party as long as this unholy alliance exists.

CONVERSATION PIECE

by MARC MORELAND, Ph.D.

CONCERNING THE JERSEY CITY BANK TELLER

It is simply not true, as was widely and, I suspect, maliciously reported the past weekend, that I was heard to utter in short bursts in various bistros a quiet mutter of approval of the unseemly behavior of the Jersey City bank teller who took it on the lam with some \$26,000 and was later picked up in St. Paul, Minn., after having said "one hell of a time—while it lasted!"

ALL I SAID WAS

All I said was that Calvin Fred DuBois, the teller who later told all, was a man of romantic imaginations; a sort of romantic rebel, a kind of present day Don Quixote if you like—a symbol of the continuing struggle of the individual's need to assert himself against the mass and the conventions that define his life and loneliness; a victim, no less, of the not unheroic battle of ordinary men to win a shining moment of personal assertion amid the daily gloom that envelops their lives.

DON'T GET ME WRONG

No, don't get me wrong. I respect banks and what they stand for—thrift and business enterprise and public credit and disciplined risk and safe deposit boxes and all that green stuff many of us are always trying to get our hands on against a rainy day. Besides, I have a personal interest in guaranteeing that \$43,326 balance I have in my special checking account.

No one is going to catch me taking the part of embezzlers, bank tellers who take it on the lam with the money of hard working citizens, romantic irresponsibles who go off having one hell of a time on my \$43.32.

THE VERY IDEA!

The very idea! The nerve of that guy! Yet, quite frankly, it's the idea and the nerve of the guy that intrigues me.

TWO OTHER STORIES

The idea and the nerve of Calvin Fred DuBois reminds me of two other stories.

The first is the one about the New York subway express motorman, who for years developed, nurtured and, finally, acted on the impulse to tear through Times Square and Grand Street Station. Stop like a hot out of hell just in front of it, and who, having done so, went gladly into retirement, a mammoth satisfaction experienced, a minimum sense of likely terrible consequences felt.

HEAVENLY DIDOS

The second is the one about the two fellows who, on going to heaven, getting their wings and instructions from St. Peter, immediately began to violate the traffic rules respecting the cutting of dicos along the ethereal air-lanes. Called in and warned that their wings would be clipped and they would be grounded throughout the rest of eternity after a third violation, they left the presence of St. Peter upon a third occasion, chucking, "Well, any way we picked one while it lasted!"

IF THE 'TRUTH'

If the "truth" of these stories is to be believed, there is precedent, if not authority, both the earth and the sky, for the romantic individualism and adventures of Calvin Fred DuBois.

Of course, the story about the two characters in heaven is only an extension of the story of the subway motorman; a case of heaven being made to mirror earth—practically much as God thought this is vigorously denied in general—is imaged in the likeness of man.

But to return to earth and to a consideration of what happens to guys like Calvin Fred DuBois—an area we know so much better, an area in which, besides, individual hopes, yearnings and failings are better known to us.

BASIC HUNGERS

These guys attempt to pull off their impossible schemes, their quixotic enterprises (imagine trying to fly 28-6's and get away with it, in this efficiently policed country); they know it is impossible, crazy, mad; yet they persist in attempting it. Why?

I don't rightly know. But I suspect it is not enough to call them insane. I'd rather think they represent a sensitive phase of life, a romantic protest against the conventional whole of social existence, an almost humorously tragic rebellion against life as conventionally organized, and as it fails to satisfy the basic hungers—hungers for assertion, individuality, recognition—of its lifelines.

If the Calvin Fred DuBois don't solve this problem, they remind you of it.

Bright Hope Baptist Church Holds Service

MONTCLAIR — The twenty-fifth anniversary services of the Bright Hope Baptist Church, 6 Mission street, and the fifth anniversary of its pastor, Rev. P. M. Wilkins, will begin on Monday, April 22nd, and last through Sunday, April 28th.

Rev. G. R. Pratt, pastor of the Community Baptist Church, of this city, his choir and congregation, will have charge of the services on Monday night, April 22nd. On Tuesday, April 23rd, Rev. L. A. Williams, pastor of Mt. Olive Baptist Church, East Orange, his choir and congregation, will be present. Rev. A. J. Tibbs, of the Calvary Baptist Church, East Or-

ange, accompanied by his choir and congregation, will render services on Wednesday night, April 24th.

On Thursday, April 25th, at 8:30 p.m. Rev. I. H. Taylor, of the Mt. Zion Baptist Church, Dover, and congregation, and the congregation and choir of Mt. Zion Baptist Church, Boonton, will render the program, while on Friday night, April 26th, Rev. B. J. Johnson, his chorus and congregation, of the Metropolitan Baptist Church, Newark, will be in charge. Rev. A. B. Dokes, pastor of the Second Baptist Church, Paterson, his choir and congregation, will render services on Sunday night, April 28th at 8:30 p.m.

The Committee of Arrangements for the anniversary celebration is headed by Deacon Alton Jones, chairman; Mrs. Eva McGhee, secretary; Deacon P. J. Johns, Mrs. M. Rose, Mrs. Anna Hester, Mrs. Mildred Liggins, Mrs. Dabhan, Mrs. Pinkie Thel, Mrs. Eva Roane, Mrs. Maude Jones, Miss Hattie Blackwell, Mrs. Mary Liggins, Mrs. Belle Holmes, Miss Mabel Bishop, Miss Gertrude Anderson, Miss Eva Jackson, Miss Ruby Ward, Mrs. P. F. Johns, Mrs. Mabel Jackson, Miss Louise Jackson, Miss Hazel Burwell and Mrs. P. N. Wilkins.

EGGS-CEPTIONAL—Biddy, New Hampshire Red raised from a pullet by George E. Washington of 8 Morris street, East Orange, aimed for blockbusters when she laid these king-size eggs on Sunday and Monday. They weigh over four ounces each (normal egg weight is two ounces). Mrs. Emma Woods of the Morris street address holds Biddy, while young Donald Clark, a neighbor's boy, proudly displays the henfruit.

Extend OPA One More Year

WASHINGTON — The House Banking Committee approved a years extension of the Office of Price Administration, but hitched on an amendment which would mean higher retail prices for automobiles, refrigerators and many other items.

The committee voted 15 to 10 to prohibit the pricing agency from requiring retailers for a period of six months to absorb larger cost of manufactured products whose production was drastically cut in wartime.

Spence, who opposed the amendment, told newsmen "it means higher prices for automobiles, refrigerators, radios, washing machines and many other items."

The committee defeated 13 to 9 an amendment to limit OPA's new lease on life to nine months, leaving the extension at a year as requested by President Truman.

Moreover, the group by a 15 to 5 ballot, approved—subject to House and Senate action—a gradual termination of the Government's \$2,000,000,000 annual subsidy program.

The latter amendment would require the Government to reduce subsidy payments by 25 per cent over the year beginning July 1, and get out a firm subsidy business by June 3, 1947. The subsidies include payments to hold low food costs.

Wolcott Proposal Defeated
A proposal by Representative Wolcott (R-Mich.) to give manufacturers prices reflecting production cost and a reasonable profit on each item, was defeated on a 11 to 11 tie vote.

The committee approved, however, an amendment by Representative Barry (D-N. Y.), establishing a policy that OPA should allow upward price adjustments for transient hotel-making a distinction between a transient and an apartment or residential hotel. No percentage of increase was specified.

The proposal to hold the pricing agency's new life span to June 30

Gov. Dewey Asked To Probe Shooting Of Fergusons

FREESTON, L. I. — The New York Committee for Justice in Freepoint was informed this week by Stanley Faulkner, attorney for the Ferguson family, that he filed a petition of three residents of Freepoint Village, Long Island, under executive law of New York State with Governor Dewey demanding that he immediately institute a special investigation of the Freepoint killings, of Charles and Alfonso Fergusons, Negro brothers, one a soldier, last February 5th. The brothers were killed by Policeman Romeka in Freepoint, L. I.

Mr. Faulkner and the petitioners did not see the Governor. They did have a one-hour conference with Charles D. Breitel, counsel to Dewey. Breitel said that they have examined into the case. But during the hour of conversation he gave no indication that justice would be done in the Freepoint killings, said Mr. Faulkner.

A citizens petition with 3,000 signatures was also filed with Dewey by Henry Dolner, representing the Citizens Committee for Justice in the Ferguson Case in Freepoint, L. I. who collected the signatures. Bertram Schur filed a supporting memorandum

signed by the following attorneys: Arthur Garfield Hays, Osmond K. Fraenkel, Paul O'Dwyer, Frank Williams and Will Maslow.

The petitioners demand that the Governor immediately institute a special investigation of the Freepoint killings, of Charles and Alfonso Fergusons, Negro brothers, one a soldier, last February 5th. The brothers were killed by Policeman Romeka in Freepoint, L. I.

A delegation headed by Rev. Ben Richardson, Associate Editor of The Protestant, Rev. S. Peyton Manning of the Russell Institution, Methodist Church, Rabbi Max Teishin, Radio City Synagogue, Councilman Eugene P. Connolly and Councilman Benjamin J. Davis, is going to Albany on Thursday, April 18th to pre-

sent to Governor Dewey over 40,000 signatures collected on a petition circulated by the New York Committee. This delegation will include leaders—representatives from labor, civic, religious and veterans organizations.

"And if Governor Dewey doesn't find time to see us on the 18th, the way he didn't when a mass delegation went to see him on March 8th, the Committee is ready to throw a picket line around the executive mansion until he does find time. The people of New York are angry. They want justice in this case and they want it fast. Our Committee has the support and participation of over 100 trade unions and organizations who mean business," said Miss Langston.

The Committee is also demanding from Governor Dewey that he investigate incorporation under laws of the State of New York of the Knights and Women of the Ku Klux Klan. This KKK organization, in a letter to Miss Langston, stated that the Ku Klux Klan unit in Freepoint will meet April 12, to consider their own committee report on the Ferguson killings. They did not, however, give the address of the meeting place, said Miss Langston.

Adam Hats Stores To Aid Students

The National Urban League Executive Board announced this week acceptance of \$4,000 in fellowship grants from the Adam Hats Stores, Inc. The Adam Hats Stores, Inc. The Adam Hat Fellowship stipulated for graduate work in social sciences will provide \$1200 per annum for two years' study at the New York School of Social Work, Columbia University, or Atlanta University School of Social Work.

Elias Lustig, President of the Adam Hat Company, said the fellowship is a recognition of the urgent need for more highly trained Negro workers in the field of race relations and economic research. Declaring he was impressed with the work of the Urban League and its program of improving the status of Negro wage-earners, Mr. Lustig said: "We hope to continue the Adam Hat Fellowship as a regular activity."

The hat company, although among the first commercial enterprises to establish graduate fellowship for Negro students in the field of social welfare, is no newcomer in the field of race relations.

Jersey Youth On Democracy

NEWARK — Two hundred New Jersey youth heard at a meeting sponsored by the Youth for Democracy at the Ukrainian Hall, 160 William street, a report from Danes, Damon, newly elected president of the World Youth Federation. This organization formed last November in London was a result of the World Youth Congress.

The World Youth Congress represents 30 to 40 million world wide youth including anti-fascist representatives from Spain, Argentina, and Portugal. The newly formed organization will hold another meeting in Paris in 1947.

They adopted a policy of international youth cooperation, international control of the atom bomb, and full support of the U.N.O.

Miss Damon stressed the importance of another war if Big Three unity were not maintained as a regulation of U.N.O.

Miss Damon reported that a great interest was shown in American delegates by the youth of other lands. They were hungry for information about our country, our people, our problems. Many invitations were extended to the Americans to visit such countries as France, Holland, Belgium, Greece, Czechoslovakia, and India to impart to these peoples the information and facts they seek.

A program was set up encouraging the exchange of people from one country to another. The Chinese youth delegation cited the need for engineers and technicians in their homeland made necessary by the rebuilding and modernization of China.

A stirring speech was given by an Indian delegate pertaining to the situation in India and the question of the country's independence. In answer to this, the English delegation, expressing gratitude on being able to talk with matters over, moved to investigate the Indian situation.

The World Youth Federation has applied to the U.N.O. for a tentative invitation this September and its application has been favorably received.

Miss Damon who is recently back from overseas said that if we here could only see first hand the conditions and people overseas, we would fully realize the need for Big Three unity and the success of U.N.O.

Carver Teachers Win Art Prizes

NEW YORK — Charles White and Elizabeth Catlett White, members of the Art Department of the George Washington Carver School received awards last week at the fifth annual Atlanta University Art Show. Instructor of Drawing at the Carver School, Charles White won first prize in painting and first prize in print and Elizabeth White won second prize in sculpture at the same show.

Mrs. White is the instructor of sculpture at the school. The winner of the Atlanta award prize in prints, Roy Carava, was a former student in the drawing class which is taught by Charles White.

Ernest Crichlow, instructor of drawing at the Carver School is working on illustrations for a second children's book to be ready early in May.

Registration for the Saturday morning children's classes in Art and Drawing has begun for children between the ages of eight and fourteen. Classes will start the week of April 22 when the Spring term begins.

Gets Wings

Second Lieutenant Charles W. Chambers, of Camden, New Jersey, was recently awarded his wings and commission from the Aviation Cadet Corps at Tuskegee Army Air Field. He is the son of Mr. Royal D. Chambers, 1009 Chestnut street, Camden, N. J., and a former student of Prairie View U. Iowa U., and NYU, where he excelled in varsity football and track. He is now undergoing continuation training at Tuskegee Army Air Field.

Discuss Problems Of Minority Veterans

BY GLADYS P. GRAHAM

NEW YORK — The American Council on Race Relations of Chicago, Illinois, called an Emergency National Conference on Minority Veterans' Problems. The meeting was held at the YMCA Memorial Building in downtown New York. Officers of over forty organizations, most of them national in scope were represented at the conference.

The meeting was called specifically to review findings of discrimination and inadequate facilities for the servicing of minority veterans under the G. I. Bill, and to develop a cooperative plan of action aimed at improving all aspects of s-vices to minority group veterans under the G. I. Bill.

Charles H. Houston, vice chairman of American Council on Race Relations, presided at the conference.

The morning session began with the extremely interesting and informative report of Vincent Malveaux, who fought in a racially mixed battalion. The report consisted of a survey of Community Veteran Information centers in 21 centers in various parts of the country.

The survey brought out the following facts: There was lack of adequate service for all veterans, the United States Employment Agency in a goodly number of cases referred the men to mental hospitals only regardless of their qualifications, many of the vets were referred to or for unemployment compensation rather than jobs. Further, that there was a decided lack of knowledge on the part of minority communities concerning available facilities.

Jessie O. Dedmon Jr., Secretary, Veterans' Affairs, NAACP, condemned the inadequate provisions made of separation centers in their practice of giving the discharged veteran the information available on the legal procedure necessary for establishing (of the Vet) his right to pension benefits.

Julian A. Thomas, Director of Department of Industrial Relations National Urban League, created quite a stir when he reported on the survey of his organization in fifty cities, which indicated definitely that there was no well organized effort of the federal agencies to afford the proper assistance to former minority servicemen. Instead Mr. Thomas said he found these federal agencies were shifting their responsibilities on the shoulders of the local Urban Leagues.

The concrete statement of George S. Mitchell, Secretary, Veterans Affairs, Southern Regional Council, that too much emphasis examination centers where one may go to make sure he or she is free of cancer; modern X-ray equipment and more radium; more hospital provision for cancer patients, many of whom now cannot be accommodated for long term treatment; education of the public as to cancer's danger signals and necessity of early diagnosis and treatment; and more visiting nurse service for cancer patients.

Negroes To Share In Cancer Drive

NEW YORK, N. Y. — Nationally known Negro medical authorities and lay Negro men and women in all walks of life have been urged by the National Cancer Society to participate, together with other Americans, in the nation-wide all-out \$12,000,000 fight cancer fund drive, it was announced this week by the American Cancer Society. The \$12,000,000 goal was listed as the minimum amount required for launching an all-out attack on cancer. The fund campaign, launched this week, will be carried on throughout the month of April in every state of the nation, with all races participating.

Termining cancer "our number one enemy and the respect of no one for color," a spokesman for the American Cancer Society stated that, "Cancer will kill 17,000,000 Americans, colored and white, every year, 417 every day, 20 every hour or one every three minutes. Contrary to general belief cancer is no respecter of race, color, or age. It strikes colored and white, young and old alike."

In answer to the question as to how the money raised was to be spent, it was stated that forty per cent of the funds raised in the nation-wide drive will be spent nationally on a great coordinating program of research under the guidance of the National Research Council, the nation's foremost scientific body, and for educational and service programs to supplement those of the states.

Blessed Herbs, Barks, Water, Seeds, Leaves, Oils, Handkerchiefs and other God's Natures for Body Ailments and Blessings.

The executive director of the American Council on Race Relations, A. A. Liveright, was chairman of the luncheon meeting. His emphasis was that Negroes, Japanese and Mexican veterans are being forced into second class positions.

The conference closed by adopting the following resolutions:

From Dusk To Dawn

By MALLOY and McNAIR

Lena Horne, our Sweet Heart of Screen and Stage, has bought an estate in Brazil, S. A. Maybe the lady decided where Democracy is concerned that eline would be the best place to enjoy her wealth.

The recently-formed organization, "The Girls behind the camera," cocktail party given at the Caribbean Cabaret, Sunday last was a crowning success. Also credit goes to the president, Margie Bailey, secretary and treasurer, Catherine Davis. These popular actresses really came on. Willie Tabb, the Silver tone Crooner, who did "Prisoner of Love" and "If I Loved You." He did those two songs with a feeling. Also lovely Clara Mentis, who's rendition of "My Man" and "There is No You" was really great. Tony Anthony really did a great job. McCre Nice going O' Man.

The old "Satchmo," Louis Armstrong, taking over at the Aqueduct, 7th Avenue at 47th Street on Broadway, where Lionel Hampton set a "Hell of a pace" for any body band that plays jump, swing and what have you. Hold the fort "Satchmo."

That Hollywood Jam Session blew the roof off on Monday last. Artists came from far and near to take the tide of Art Tatum, the Master of the Ivorys. There was Dan Burman, who brought along his band. The fam-cus-Hooker Beefe, from Brooklyn. "Nimble" fingered Marlowe, Kid Norman with a style of his own, and many more. But they tape, they listened but they all froze when his royal highness of the keyboard swung out. Tom Tiltman, the prop, had his B. R. out to lay it on the line on his man "Art." Up to now no taker's. Other guest Artists were, Kirby Walker, of the 44 Club of Newark. McCre and McCre. Celebrating his birthday party. And that party was that outstanding big band for Jack Merdith, who's McCre is really the top. Kid Tilt, the Manager, is really doing a big job.

Jock's Music Room

Nothing could be finer than to be from Carolina and ball in at this swank spot, on 7th Avenue, 138th Street in dear ol' Harlem town, where the Atmosphere is fabulous, where the entertainment catches the fancy of the select. Guest Artist, Virginia Smith, under the management of Tyler Mason, of 46 West 48th Street, and who recently closed a successful engagement at the Gaitey Theatre, in Montreal, Canada, thrilled the house with her rendition of songs and her own accompanist at the Piano. She did the number "Don't Stop Now" with the feeling. Virginia, like "Virginia Ham" you are really good.

That Negro Labor Ball, given at the Golden Gate Ballroom, on Monday last, under the successful promotion of Prof. Ralph Redmond, with music by the "Re-Bo" Big Band, featuring Lionel Hampton, was a howling success. Just what was expected from this combination. Redmond, the A.A.A. of F. L. Official, and America's own Lionel Hampton, World's Top's.

Hints For Women

Ladies! Be free of building diagrams, tired, aching backs and undue fatigue. A Spencer individually designed support will give you welcome relief by supporting your tired abdominal and back muscles, and improving your posture.

Spencers are prescribed by doctors for back pains and injuries, visceropros, or nephropathy with symptoms, spinal arthritis, spinal curvature, for hernia if operable and when operation is to be delayed, for wear during antepartum-post partum period, or after operations for breast problems and breast operations.

Spencers are also designed for patients following operations such as nephropathy, nephropathy, appendectomy, colostomy, hysterectomy, spinal surgery, breast surgery.

Spencer support, designed especially for the clients or patients, provides compensation for weakened abdominal muscles and promotes natural restoration of muscle tone.

In a Spencer, the support to the abdomen is from below, upward and backward, leaving the upper abdomen free. Natural exercise of muscles is thus permitted.

Weakened abdominal muscles that have stretched regain their tone sooner when the sagging is checked by a gentle support.

Each Spencer support is individually designed, cut and made to meet the specific posture and health needs of the one patient who is to wear it. That assures you that the support will be correct from the standpoint of body mechanics; that it will fit exactly, and be perfectly comfortable.

Spencer supports designed for men are masculine in appearance. So men don't hesitate if you need one for your back or other ailments.

NITE LIFE

By OLE NOSEY

Note: Lloyd Thompson (not while m.c., and singer is bubbling for ole nosey this week.

Yes, indeed folks, this year, 1946 is proving and is going to prove, that entertainment and swing, hot licks and all forms of dance—the greatest sport devised by man—Nite clubs are springing up everywhere, new and great, and bands and combos are continuing to be. Yes, musicians have overtaken all sports here in 1946 completely. Who wants to see a fight at Madison Square Garden when Lionel Hampton is Re-Bopping at the local playhouse? Swing, indeed, is all we need! I see that drummer man, Gus Young, is still pounding away at the Melody Club. Gus is tops with the hide, but according to all voices crying out into the night, "Little Abner" Gus's protégé who made a nice name as one of Newark's up and coming drummers, when he played at the club with yours truly and the Swingsters, is rising fast. Grace Smith really made a great bounce back from hiding after being in a tangle with the Kinney Club so long. She rocked the Pic last year there. Grace opened last Friday at Murray's. Good girl! Grace and loads of luck. Miss Rhaphody is still sending 'em at the Sudan. The brown gal is finding the city just another place for her eating. What happened to "Don't Rush Me Baby"? Who owns this tune? Who wrote it? Where is the man who is responsible for all the noise concerning it at the Del Mar each night? Can you answer these questions? I know a few fellows who can! I accidentally "Chink Kenney" noted sax man really rocks on the new records we made of the tunes "I'll Wait For You," "Love That Kind of Crying," "Gone About Her Business" and "Sure Wish It Were Me." Jimmy Gaston's piano on "AS LONG AS I HAVE YOU" and "THIS FLEET HOUR" was superb. These were really some great discs. Vocals were done by your humble writer who just opened at the Panda Club with Coke and Pops. Carl Wolf and his fine band and a lot of other fine celebrities. The owner of the Panda is one of the greatest fellows I've ever met. The popular club is located at 890 Preliminary Avenue. Rush on over you pretty girls, leave your old man home, I'll gladly accommodate all the sweet little memories of your youth, so long for now, everything's cool! Your boy, A JOYD

ZEALAN SPEAKS ABOUT BROOKLYN

With these chilly days thrown upon this past week end by old man weather, makes one wonder if spring is really here. Yes Old April is inclined to conduct March in spite of the date upon the calendar. But if you don't believe that spring is in the making you should have seen the fashion display sponsored by Wilton, Vivian & Minnie-Sun at Club 76. The outstanding Millinery and Hair Stylists brought to the public many personalized creations that bespoke their positions.

Don't forget the real treat of the season, a musical program to be sponsored at Varick Memorial A.M.E. Zion Church, Ralph Avenue and Chauncey Street. The program is being sponsored by the United Board No. 2, under the direction of Mrs. Luizer Caldwell. The Debaraz Gospel Singers will be the guest singers of the evening. There will be many other outstanding talent. Rev. S. H. Williams is pastor of the church. Look out Dollie King! Your brother Haroldine is following in your footsteps, he was really in the picking Fri-night with the Metropolitan All-Stars who played against "Wells" Fri-night at the Golden Gate. T. Collins answered. Yes, musicians have overtaken all sports here in 1946 completely. Who wants to see a fight at Madison Square Garden when Lionel Hampton is Re-Bopping at the local playhouse? There will be an old fashion Easter party and Easter egg hunt given by the Swanky Cheques Social Club at the home of Mrs. Virginia Land April 22.

Brooklyn's Branch, National Alliance of Postal Employees gave their annual dance Sat. night and packed the Renaissance to capacity. A few of the many spotted were Mr. and Mrs. Dean, M. F. Watson, S. Cotten, K. L. Renault, H. A. Williams, V. De Louch, L. Person, A. Cave, Mr. and Mrs. Leon Wilson, V. Black, A. Swann, Fred H. Turner, F. N. Maconic, T. Wynn, and others.

The Entre Nous Social Club is having their first annual dance May 12 at Club Danceland. The club was recently organized and is really going places. Officers of the club are Malcolm Fraser, president; Louise Green, vice president; Webster Samuel, treasurer; Betty Matthews, corresponding secretary; Betty Samuel, recording secretary; members are Sarah Swindell, Leroy Green, Alexander Heath, Myrtle Heath, Howard Seamore, Gertrude Howard, and yours truly, honorary member.

I would like to correct a mistake made in one of my recent columns in which I stated that the Alpha Tans Club were having their first annual spring dance April 26. It's Club Pierre who will bring you that gala evening of fun, laughter and romance at the Crystal Room of the Park Place 5 West 110 Street, New York. For reservations contact Milton P. The Things I Hear
By ASHER H. CONN
Home for good, L. Herbert Tate, popular Newark lawyer. Received his release from the Army as a 1st Lt. and will take up where he left off in the law practice here.

The Newark Student Council, under the supervision of Cecil Cox, is making plans for the first reunion of this club in years. A list of the former officers of the club will meet at the restaurant of Cecil Cox, 118 Camden Street, Newark, N. J., the first week in May are: Jessie Smith, Chuck Strother, Ray Jones, John Walker, James Melton, William Bailey, Arthur Carrington, Howard Wilson, Napoleon Johnson, Sam Coles, Joe Barron, Hugo Bowels, Edward Davis, Joe Thomas, Fred Johnson, former girl members expected, Mabel Mitchell, Gladys Scott, Leola Smith, Ella Davis, Edna Gooding, Marie Washington, Mandell Smith, Maude Hill, Emma Rollins Miles, and Gertrude Gibbs Gray.

Just passing by, I saw the powerful Father Divine stop in the "chill" section the other day. People were lining the curbs to get a glimpse of the wonderful one. Oh well, at least he is Democratic, his Bonde chauffeur really had on some fine Nylons... (Peace).

Elmer (Rocky) Morris took a trip down the hills last Sunday to the home of wedding bells with Constance Williams.

Harry Hurd brought the whole score sheet down to the Owl Club last night. Must have been some good bowling on the Elizabeth team last week.

Cara Monroe, one of the first "Wacs" from New Jersey, stopped in her home town the other day.

Let's Go Singing

by

BERNICE BASS

86 Belmont Avenue, Belleville, N. J.

This old world we're livin' in

is really hard to bear. We get a thorn with every rose but the roses are sweet!

She has arrived. She is every-where and more besides. I'm talking about that singing young lady from New Orleans, name Miss Bernice Griffin. Miss Griffin is oh brother, when she starts sing- ing, it's time for all the singers to look to their laurels. Miss Griffin has a style of singing all her own and I, for one, will be very much disappointed if she doesn't gain national recognition. And for all of you who enjoy that Southern dish called "Gumbo," see Miss Griffin, she's a past mas- ter on its making.

As I've so often said in this column, "A man seldom receives honor in his own hometown." Only this lady I'm referring to this time. You know we Jersey- ities are crazy about Mme. Ernestine B. Washington but if you could have been at the Holy Trinity Baptist Church, last Sun- day morning, you would have stopped and wondered. Mme. Washington sang so until the peo- ple just laid aside that little ve- ner of culture, so carefully ac- quired and gave vent to their feelings, unashamedly. I did it again at the Golden Gate, Sun- day afternoon—I mean she really vowed 'em. Mme. Washington and the aforementioned Miss Bernice Griffin are holding a week's meeting at the Holy Tri- nity Baptist Church, 15 Hancock street, Brooklyn, of which the Rev. Thomas J. Harten is pastor. While on the subject of the

Washingtons, perhaps I should tell you that Elder W. W. Wash- ington will hold his Easter morn- ing Sunrise Services at the Golden Gate in New York City. He's looking for all his New Jersey- ities to be present. Elder Wash- ington really has a grand program scheduled for you, so please don't miss it.

The master of the Console, Eld- er John Graves, of St. Louis, is still holding forth at Trinity Tem- ple, 193 Bloomfield avenue, Mon- tclair. He'll be there until Thurs- day evening, May 18th. As I have said before, that young min- ister with the Oxford accent, re- ally knows how to play an or- gan.

Easter Sunday afternoon and evening, Roger Williams is bring- ing a grand program to you. Eld- er Benjamin H. Broadie—who has recently been made Presiding Elder of his district, will be present at both sittings to preach. The subject of one of his sermons bears the intriguing title of "I Had Him But He Got Away." Better come out and hear your new Easter togs, who knows, you might even win one of those Ford cars that Roney is so generously giving away. Those Mighty Kings will battle the Sensational Shelley Gospel Singers at the Union Baptist Church, next Sunday after- noon, April 21st, at 3:00 p.m. Better be on time, because the boys can't linger, they're going to sing again Sunday evening in Phila- delphia.

Mr. James Whitehurst, that great Gospel Singer and Rev. I. Gor- don, wonderful preacher, poet and singer, also of Chicago, will start a ten-day revival at the Union Baptist Church, that right, 461 Decatur street, Brooklyn, Sunday night, April 21st. The Rev. A. A. Woods is pastor. Mustn't forget to mention that the famed Harmonies are cele- brating their anniversary at the Golden Gate, next Sunday after- noon, April 21st. "Pastor Myers" will be looking for all his mem- bers," so please be there.

Say, you people haven't heard any female group sing unless you've heard the Antioch Singers of Camden, N. J. Their style of singing is similar to that of the mighty Kings but talking about harmony—and beautiful back- grounds and arrangements—those girls really have it. I wouldn't take a million dollars for Miss Agnes Austin. She speaks beau- tifully and chooses her words so carefully until you can almost pic- ture for yourself, the scenes she's talking about. She is truly a marvelous Mistress of Ceremony, as well as being one of the most expressive Gospel Singers I've heard in a long, long time. I've often heard Bill Morgan, bass singer for the Kings, speak of the group and say that he would never pass against their bass singer. I don't blame him because she is really all right. In other words, this group will definitely be a menace to all these groups who are complacently sitting back and resting on the laurels of their past performances.

Well, that's about it for this week so I'll be seeing you—hear? Remember, we have a date, same time, same place—next week.

JETER-PILLARS ORCHESTRA and U.S.O. REVUE

Now on tour in the South Pacific entertainment, servicemen are the Jeter-Pillars Orchestra and a USO Revue. This aggregation left from the west coast last December and will return to the States within the next few weeks.

The revue is headed by James Jeter and Hayes Pillars. The Jeter-Pillars Orchestra was organized in St. Louis, Mo., in 1934 and played at the Club Panama for ten years, and was

chosen as one of the first Negro bands to appear on the Fifth Band-Wagon, a national hook-up radio program. They appeared during Easter week of last year at the Apollo Theater where they received great acclaim by the audience. During the fall and winter season of last year they played army and naval bases in the New England States.

The group, at the present time, is now in Tokyo, Japan. Accompanying the band are S. Apus and Estrallita, the Three Cabin Girls,

and Vernon and Hutchie. Miss Myrtle Hutchinson, well-known entertainer of the metro- politan of New York, and a native of Newark, called by her hundreds of friends as "Hutchie," writes that the tour has been a very successful one thus far, with no mishaps.

Mrs. Julia Pillars, the charming wife of Mr. Hayes Pillars, is now residing with her mother, Mrs. Emma Hayden of 277 Lincoln street, East Orange, until the re- turn of her husband.

the platform party which includes trustees of the college and representatives from the State Department of Education, the public schools and the local colleges.

Other participants on the program were Dr. Maynard H. Jackson, minister of Friendship Baptist Church, in whose basement Spelman came into existence in 1887, who read the Scriptures; Rev. Paul S. James, minister of the Tabernacle Baptist Church, who offered the prayer; and President Rufus E. Clemons of Atlanta University who pronounced the Benediction. Special musical selections were offered by the Spelman Quartet, which sang the spiritual "Listen to the Lambs" (Dett); and by the Spelman Glee Club, under the direction of Willis Laurence James, which sang "Psalm 23" (Machet-Bain) and "When I Survey the Wondrous Cross" (Dett).

Due to inclement weather the morning exercises, scheduled for the Center Campus were held in Giles Hall. However, immediately afterwards, the day's program continued as planned in Howe Memorial Hall with a singing of the class song and a report on contributions to the College which totaled over \$4,500 from students, faculty, staff and friends. The traditional ceremony of de- cating the plaques of the founders by the Spelman Granddaughters and a singing of the college hymn con- cluded the exercises of the mor- ning. Spelman Observes 65th Anniversary

ATLANTA—A plea for toler- ance and strictly a repudiation of the old pattern of conflict was made by Dr. Jackson Davis, associate director of the General Education Board, on Thursday at the 65th anniversary observance of Spelman College. The tradi- tional Founders Day exercises were held in St. James Chapel at three o'clock immediately follow- ing the stately academic proce- sion led by the seniors, who were attired in cap and gown for the first time this year.

According to Dr. Davis, there is a need today, in the midst of much social ferment, to see through the biased viewpoints which are thrust before us. And particularly in race relations he believes there is need for scientific analysis rather than the accepting of opinions that are without basic understanding of the problem. In the course of his address he paid tribute to the founders of Spelman, Miss Sophia

B. Packard, and Miss Harriet E. Giles, and also Miss Alice Tap- ley, who he said had imagination, vision and faith which enabled them to overcome great obstacles and build a new civilization in a spirit of god will, without bitter- ness, and rancor, emphasizing character, intelligence and respon- sibility.

Three Spelman graduates, who are making a contribution in their particular fields, were referred to by the speaker as reflecting the type of womanhood the college is trying to build. They are Miss Camilla Weems, former Jeanes teacher and at present director of Negro Extension Work for Ne- groes in Georgia; Mrs. Ora Miller, teacher of Monrovia, Liberia; and Mrs. Ernestine Anthony Lipscomb of the 135th Street Branch Public Library in New York City. In introducing the speakers to the audience, President Florence M. who presided at the exercises, stated that "no man in the last 25 years has known at first hand so much about the schools and col- leges of the South as Dr. Davis." She introduced other members of

BAXTER TERRACE PROJECTS

Scouters Bauchamp, Mitchell, Roberts, Levell, Den Chit Thor- orton, Scouters Bozand Foster, all were hikers to the Scout Moun- tain Reservation Sunday under the leadership of Scoutmaster T. D. Dudley.

Instructions were given in Cooking, Fire-building and trail- ing. At their regular meeting held Friday evening all of the boys were present. The Scoutmaster Dudley gave them right instruc- tions in First Aid. Committee man Hines were among the visitors to the regular troop meeting last Friday.

The Cubs are meeting every night in their respective dens. Den Mother Agnes Coxson, of 186 Orange street, met the boys Mon- day night on time and after going over some of their achievements surprised them with a treat to an ice cream feast. The boys have grown to love their Den Mother Coxson and show every effort to prove to her that they are going to be real good boys. Miss Mazell Vickers of 44 Charlton street, was visitor for the evening at the den meeting.

Visitors to the home of Rev. Johnson Chairman of Troop Comm. 57 were Mrs. Consula Her- bert, Mr. Frank and Raymond Timbers and Miss Dorothy Dennis, all from Harpers Ferry, W. Va.

At the regular committee meeting held last Sunday evening all of the committees were present and laid plans for the coming season with special con- sideration to camping for all boys of the troop for this summer so we are asking all to join in and help to make this camping season a real success.

Columbus Urban League In Big Interracial Drive

COLUMBUS, Ohio.—One of the great examples of white and col- ored working together for a com- mon cause, was exhibited at the "Victory Dinner" of the Columbus Urban League, when 300 volun- teer workers of both races, report- ed 4,521 memberships in the 14th Annual Roll Call which had been conducted from March 25 to April 10.

The Columbus Urban League

boasts of having the largest mem- bership of any of the leagues in the country. It is about equally di- vided between the races and is a cross section of all the races, religions, parties and classes. This is also true of the Board of Direc- tors and the Departmental Com- mittees.

The number reached was 521 above the goal of 4,000. The Gen- eral Chairman was the nationally known, James A. Maddox, white, the Co-Chairman, Dr. W. C. Ander- son, colored, is the Superinten- dent of the Street Cleaning and Re- pair Department in the city of Col- umbus. The Division leaders: Mrs. Velma Davis, Cecil Walker and Charles Malone are Negroes; Mrs. L. G. Staley and Charles Spi- cer are white.

Under the slogan, "Goodwill is the Atomic Energy for Peace, Se- curity and Happiness," the radio stations, newspapers, both Negro and white dailies, supported the ef- fort with editorials, broadcasts and continual news releases.

Robert W. Newlin, United States Commissioner, is President; and N. B. Allen, Executive Sec- retary of the Columbus Urban League.

Lions Get Vets Housing Project

LINCOLN UNIVERSITY.—The construction of veteran housing units was begun on the Lincoln University campus this week fol- lowing a recent negotiation be- tween the University Administration and the Federal Public Housing Authority to relieve the exist- ing housing problem of married veterans attending the institution. The one-story frame units will be partitioned into four apart- ments, each containing two bed- rooms, living room, bath and kitchenette. The units will be furnished by the University and the FPHA.

An area south of the campus gymnasium is the construction site for the dwellings which are not regarded as permanent additions to the dormitory quarters provided by the college.

Eagles, Grays, Cubans Loom As Top NNL Teams

With the opening of the Negro National League season but a month off, baseball fans are beginning to watch the teams that seem in the league in seeking to select the possible pennant winner. All of the clubs have been materially strengthened by the return of some of their stars from the military and naval service and should field stronger teams than they had in 1945.

At this stage of the game the race seems to be a nip and tuck affair with the Newark Eagles, Homestead Grays and Cuban Stars enjoying an advantage over the other clubs. Nobody can afford to count out the Philly Stars, Baltimore Elites or Black Yankees prior to seeing these clubs in action against league competition.

EAGLES LOOK STRONG
The Newark Eagles loom as the team best at this writing. The Manley has a number of their star players out of the service and these additions have strengthened the club to such an extent that the Eagles have been named pre-season favorites by baseball critics.

Manleyman have a strong pitching staff with Legg Day, Max Manning, Len Hooker, Vernon Peace and Ruffus Lewis. Cecil Coles and Bob Cheeks. All of the rookies have shown enough stuff in training camp to be selected as starting pitchers and the veterans, the Eagles should not want for pitching. The infield is also strong with Pearson, Doby, Humber, Irwin, Watkins and Patterson while Harvey, Irwin and Davis is all anybody could ask for in the outfield. Parks will be the bulk of the catching and he looks better than ever and many predict he will be the top catcher in the league this season.

THE GRAYS
The Homestead Grays will be strong as usual with the veterans return. The club's course, the change in leadership of Cosey Pusey to be counted upon by them as tough as ever. Any team with Joe Gibson, Buck Leonard, Sam Bankhead, Jerry Benjamin and Bud Wilson is bound to be hard to beat.

CUBANS A REAL THREAT
Alex Pompez has bolstered his Cuban Stars and many believe that the Islanders will be the team to beat this year. The Cubans always had plenty of pitching and fielding but were woefully weak at bat. This year Pompez has secured several hard hitting Cubans to add power to their offensive and the new found strength may mean the difference between a pennant winner and a second division club. Then the return to regular duty of "Burrill" Barnhill is another factor that cannot lightly be regarded. Barnhill was one of the top hurlers in the

league until his arm went bad and the news that he has regained his old time form will certainly not cause any rejoicing among his teammates in the league.

PHILLY STARS
The return of Marvin Williams to the Philly Stars puts the Brotherly Love City boys right in the running. The Currymen were never able to overcome the weakness in their inner defense when this star jumped the club and went to Mexico last year. He is

the backbone of that infield and also a power hitter and a great inspiration to his teammates. The Black Yankees have a fine team with plenty of power at the plate and a mighty fine pitching staff. Don't play them cheap.

BALTIMORE ELITE GIANTS
The Baltimore Elite Giants will naturally feel the loss of Campanella behind the plate but the return of Sammy Hughes will more than make up this loss. Hughes will give balance to the infield and he and Butts should form one of the best double play combinations in the league. Tom Wilson's club will be in the thick of the race all the way and may surprise the favored Eagles, Grays and Cubans.

BLACK YANKEES
Hack Barker has gathered together a group of veterans and hopes to lift his team from the cellar this season. With such stars as Willie Wells, Dick Seay, Harry Williams and Johnny Hayes returning, the Black Yankees may surprise everyone in the league. Hack is a fighter from the word go, and has the ability to get all the best players who have ever seen, regardless of who wins the pennant.

This is a brief pre-season resume of the various clubs and their prospects. Nobody can say for a certain just what the final outcome will be but it is a sure bet that the fans will be in for the best baseball they have ever seen, regardless of who wins the pennant.

NEW YORK — All roads will lead to the Polo Grounds, New York City, this Sunday afternoon, where one of the greatest Cuban teams of all times will clash with the Philadelphia Stars in the season's opening Doubleheader. The first game, starting at 2 p.m., that Alex Pompez's claim that this is one of his greatest clubs, appears to be substantiated by the sensational training trip record compiled by the Latin team from Manhattan on their tour to New Orleans back to the Big Town. For as the Cubans enter the Carolinas on the last leg, they are the proud possessors of 15 games played among which are 3 straight wins over the champion Homestead Grays. Always one of the most formidable teams in the Negro National League, the Cubans 1946 aggression appears to have the necessary amount of around balance that its predecessors have heeded to lack. That the acquisition of Silvio Garcia, Alex Crespo and Creste

Eagles Show Championship Form In Training Camp

JACKSONVILLE — Showing true championship form in winning their first exhibition game of the Spring training season, the Jacksonville Eagles by a score of 8-3 here last week, the Newark Eagles loom as the team to beat in the 1946 Negro National League season at home against the local nine Harvey made several sensational catches and shows he has overcome his weakness in the field. He always was a power at the plate and last season finished second to Josh Gibson in the league batting standings.

The Eagles will remain here a month before returning to Newark to open the Negro National League season at home against the Philly Stars on Sunday afternoon, May 5th, at Ruppert Stadium. The outfield is also mighty powerful with Monty Irvin, Bob Harvey and Johnny Davis patrolling the outer defenses. These three players pack plenty of power at the plate and also form a strong defensive unit. Monty Irvin is rated one of the greatest hitters in Negro baseball and is destined to reach the top this year. Monty has everything a great ball player needs, including speed on the bases and probably the greatest throwing arm in baseball, not excluding Joe Di Maggio.

With the array of talent available, Manager Mule Suttles is looking forward to the forthcoming season with plenty of confidence. Despite the improved ability of most of the other clubs, as a result of being strengthened by returning veterans, Mackey feels his Eagles will prove more than a match for the best of them. This

NEWARK — After putting his charges through a long three hour drill at City Stadium Sunday morning, Manager Mule Suttles expressed confidence in the ability of his boys to beat the strong West New York nine when they clash in the season's opener this coming Sunday at Schools Stadium. The former Eagles' manager has assembled a formidable aggregation of semi-pro talents in the Metropolitan area and white players for this encounter and feels confident his boys will meet the critical approval of local baseball fans.

The opening will be featured by the usual colorful parade to the field, pole and flag raising by the two clubs and the traditional throwing out of the first ball by some outstanding celebrity.

IN THE GROOVE
By BUTTS BROWN
PLAY BALL!
Local baseball fans will be in for a real treat this year when Manager Buzz Mackey trots his 1946 Newark Eagles out on the diamond at Ruppert Stadium to meet the Philadelphia Stars in the season's opener on May 5. Reports from the Eagles' training camp at Jacksonville indicate that the Manleyman are living up to previous season reports and are showing true championship form.

Opening day in Newark has always been one of the most colorful in the league. The happy and colorful crowd, the impressive march to the flag pole and flag raising and the return parade back to the dug-outs by the competing teams, is a sight that lives long in the memory of those witnessing this spectacle.

TITLE BOUND
This year the fans may be looking upon the team that will bring Newark her first Negro National League championship. The pitching staff, headed by the veteran Leon Day is probably the best in the league. Pitching is always essential to a pennant winner and the Manleyman have assembled the talent to do the job. Len Hooker, Max Manning, Vernon Peace are the experienced hurlers while Ruffus Jackson, Cecil Coles and Bob Cheeks also see certain of winning starting assignments.

The infield is equally as formidable with Len Pearson, Humber, Doby, Israel and Watkins. Pat Patterson, former Philly Stars second sacker is due to join the club when he completes his teaching chores at Wilkes University.

The outfield is also mighty powerful with Monty Irvin, Bob Harvey and Johnny Davis patrolling the outer defenses. These three players pack plenty of power at the plate and also form a strong defensive unit. Monty Irvin is rated one of the greatest hitters in Negro baseball and is destined to reach the top this year. Monty has everything a great ball player needs, including speed on the bases and probably the greatest throwing arm in baseball, not excluding Joe Di Maggio.

LOUIS-CONN
There is keen interest in the forthcoming match between Joe Louis and Billy Conn for the heavyweight title. Much speculation is going on as to the long layoff both fighters have had and just how much this has affected their fighting ability of the two men.

It is my belief that both Conn and Louis will show signs of their absence from the ring, but this will not prevent them from staging a great fight. Joe has never fought a dull battle yet, and I am not expecting him to do so against the challenger.

The Brown Bomber will be in there exploding his heavy guns in the face and upon the body of the Pittsburgher and I believe that again Billy will prove unable to survive it for 15 rounds. On the other hand, Conn will not be as fast as he was in his first fight and this will endanger his chances of upsetting the champ. Billy must depend upon speed and more speed to win and age is bound to slow him up.

I look for a terrific battle while it lasts, but I don't expect this one to last as long as the last. I pick Joe in 8 rounds.
